

What's your school's unique way of reflecting these common UCA characteristics?

1

Engaging with First Peoples

Walking together with First Peoples, recognising Aboriginal and Torres Strait Islander peoples' sovereignty.

2

Spiritual development and Well-being

Exploring faith and spirituality through meaningful ritual, care, and community service.

3

Celebrating Equality and Value of All People

Affirming everyone's authentic contribution and valuing diversity.

4

Listening and Collaborative Decision-Making

Decision-making emphasising community building and discernment.

5

Embracing Diversity of Faiths, Cultures, and Languages

Affirming multicultural identities and undertaking interfaith dialogue.

6

Justice for All Peoples and the Environment

Committing to justice, equity, and environmental sustainability.

7

Addressing Difficult Topics with Courage

Open to learning from contemporary studies and addressing controversies.
